HAPPY 2026 NDC!!!

Thanks! to everyone, who attended the Holiday party in December. A fine time was had by all: fine food; fine fellowship. Hope to see you next year!

CONTINUATION OF THE 10 YR PLAN

CHANGES... THEY ARE COMIN'!

The Bulk has been reopened with 50% installation of the (*monster*) **MARS** machine. I will be pursuing bids and where contractually appropriate, retreat rights where they exist for displaced employees from the Bulk.

As previously mentioned at the Branch Meeting last year, machinery will be dismantled in the Foreign and Military Buildings. Local 300 will be meeting with the Plant Manager on 1/27. I will keep you posted on the outcome of the meeting.
