"AN INJURY TO ONE IS AN INJURY TO ALL

NEWSFLASH!!

UPDATE ON FORTHCOMING CHANGES TO THE NDC/RPDC

Local 300 was just notified by management that the HSTS jobs abolishment is expected on 2/20/26. Management has stated details will be posted for MARS machine, PILS, Platform north and east, also bid posting that comes out. To avoid becoming unassigned regulars please bid or apply for a detail. The union requested that management keep as many mail handlers as possible on tours whose jobs were abolished to reduce impact.

These machines will be dismantled in phases once the union is informed by management as to what operations will be next to shut down, I will inform all members.

BRANCH MEETING COMING SOON!!!!!!!!!!!!!!
